Dear Alun

Thank you for consulting Cyfoeth Naturiol Cymru / Natural Resources Wales (NRW) about the above.

We have no objection to the discharge of Condition 11 of planning approval A180769.

We have reviewed the Preliminary Assessment for Bats for building 6 (Granary Barn), dated 3/4/2020 by Ecology Planning and we concur with its conclusions and recommendations.

We do not consider that the development is likely to be detrimental to the maintenance of the population of the species concerned at a favourable conservation status in its natural range.

Kind Regards
